LOWER ORMEAU ROAD

I know it's on the agenda, but suggest you might like to focus on this. It is another of these areas which is now entirely nationalist. Information from Belfast this morning (Feeney) is that problems may well arise on this route. Provos are understood to be stirring things up locally. I recognise that it is probably not possible to change this route this year, though it may be as well to put down a marker at this meeting for future years.
